

Discover ARARAT

GRADUATE DENTIST 2026

A rural rotation like no other

For the first time, our Graduate Dentist Program includes a 3-month rural placement at East Grampians Health Service (EGHS) in Ararat and it's an opportunity not to be missed.

You'll join a welcoming, close-knit dental team delivering high-quality care across acute, and community settings. This is your chance to broaden your skills, see diverse cases, and experience first-hand the difference dentistry makes in regional Victoria.

And the best part? Fully covered accommodation, walking distance to the clinic while you're here.

WHAT YOU'LL EXPERIENCE PROFESSIONALLY

During your Ararat rotation, you'll:

- Manage complex cases unique to regional practice
- Support patients in day surgery units
- Work alongside senior dentists and oral health therapists in a collaborative team environment
- Contribute to community outreach, including programs like Smile Squad
- Develop greater independence while always having support close at hand

This hands-on experience will complement your RDHM rotations, giving you a well-rounded skillset and confidence in both metropolitan and regional dentistry.

LIFE IN ARARAT

Outside the clinic, Ararat offers the perfect escape:

- **Adventure:** Explore the Grampians National Park, famous for its hiking trails, rock climbing, and breathtaking lookouts
- **Culture:** Discover the Ararat Gallery TAMA and the Gum San Chinese Heritage Centre
- **Food & Wine:** Relax at local cafés or explore the renowned Great Western wine region
- **Lifestyle:** Enjoy affordable living, fresh country air, and a warm, welcoming community
