

Let's sing + brush!

What do you sing when you brush your teeth?

If we're being 'tooth-ful', this could get a little annoying, but if it gets kids to brush their teeth properly for two whole minutes, it's worth a shot, right?

Brush, Brush, Brush Your Teeth

(Sing to the tune of "Row, Row, Row Your Boat")

Brush, brush, brush your teeth,
Gently round your gums.
Merrily, merrily, merrily, merrily,
Brushing is such fun!!

Brush, brush, brush your teeth
Brush them every day.
The front, the sides, the back, the top
To keep decay (or the bugs or germs) away!

This is the Way We Brush Our Teeth

(Sing to the tune of
"Here we go round the Mulberry Bush")

This is the way I brush my teeth,
brush my teeth, brush my teeth
This is the way I brush my teeth,
So early in the morning (or Before I go to bed).

This is the way my toothbrush goes,
Round and round, round and round
This is the way my toothbrush goes,
So early in the morning.

Sing about other steps in brushing:

This is the way I brush in the back, brush in the back...
(front, inside, outside, top, bottom)
This is the way I brush my tongue, brush my tongue...

The Dentist Is My Pal

(Sing to the tune of "The Farmer in the Dell")

The dentist is my pal, The dentist is my pal
His chair goes up (arms in the air)
His chair goes down (touch the ground)
The dentist is my pal

He has me open wide
And then he looks inside
Carefully he checks my teeth
And keeps them shining bright

Chorus
