

WORKING TOGETHER FOR BETTER ORAL HEALTH

JOB TITLE HERE

Title: Health Promotion Officer	Reporting To: Health Promotion Lead Healthy Families, Healthy Smiles
Business Unit: Statewide Health Promotion	Classification Level: HS Grade 4

Position Purpose:

The Statewide Health Promotion team at Dental Health Services Victoria (DHSV) works collaboratively with other sectors to build the capacity of professionals and organisations to promote oral health, particularly in the early childhood, disability and health sectors.

This role works within the Health Promotion team, delivering the Healthy Families, Healthy Smiles (HFHS) program. HFHS aims to improve the oral health of Victorian pregnant women and children aged 0-3 years through capacity building of health professionals and early childhood professionals. As a part-time (0.8 FTE) Health Promotion Officer, you will work towards the development, delivery, evaluation and review of a range of oral health promotion initiatives, for Victorian population groups with high risk of poor oral health outcomes.

Role Accountabilities:

Role Specific

- Actively support the planning, design, implementation and evaluation of HFHS initiatives, including education/training packages
- Application of strong project management strategies including achievement of agreed deliverables in a timely and effective manner.
- Maintain the strengths of existing partnerships and develop new relationships to build the profile of HFHS and DHSV's statewide oral health promotion.

WORKING TOGETHER FOR BETTER ORAL HEALTH

- Advocate for oral health promotion to be embedded in everyday practice of early childhood and health professional and their service settings.
- Build oral health literacy by ensuring that information developed and disseminated by internal and external partners is consistent, evidence-based and accessible.
- Manage and/or support additional health promotion activities and projects as directed.

Generic:

- Demonstrate and promote a proactive commitment to health & safety, well-being and the environment by actively participating in the ongoing identification and prevention of risks
- Participate in myDevelopment ensuring goals are signed off and reviewed
- Model behaviours that demonstrate the Victorian Public Sector and DHSV values in all aspects of work

Role requirements:

<p>Knowledge</p> <ul style="list-style-type: none"> • Tertiary qualifications in health promotion, health sciences, public health or a related field • Proficiency with MS Office • Demonstrable understanding of project management • Current Victorian's Driver's license and ability to drive a car <p>Desirable</p> <ul style="list-style-type: none"> • Knowledge of DHSV and public oral health • Knowledge of Early Childhood Sector 	<p>Experience</p> <ul style="list-style-type: none"> • Experience in the development, implementation and evaluation of health programs, projects and resources • Experience in the development, implementation, evaluation and review of education and training packages • Excellent verbal and written communication skills and the ability to liaise effectively with stakeholders <p>Desirable</p> <ul style="list-style-type: none"> • Experience in working in a capacity building role • Experience working with Aboriginal and Culturally and Linguistically Diverse communities
