It's fun to brush!

Hello
I'm Monkey.
Here are my friends.
We love to brush. This is your own brushing chart to hang up at home.

Elephant says "I like how you brush your teeth."

Lion says "Show me your clean teeth, give me a big roar."

Rabbit says, "It's important we look after our teeth."

Crocodile says "Smile. Wow! Look at those strong, healthy teeth. Great job! Want to play again?"
